Extension 1121*

Did you Know?

- Elisa is an adjunct professor and an on-site Preceptor for St. John's University. Her expertise is in dermatology and compounding. She loves whipping up medications just how she likes to whip up desserts.
- Elisa is a vegetarian and loves animals. She fosters elephants at sanctuaries in Kenya and Thailand. Ask her to show you pictures of her elephants she recently visited in Kenya.
- Elisa studied Fine Arts and Art History for many years and is an avid painter and sketcher. She loves Italian and French Baroque Art in particular and speaks fluent Italian too! Ask Elisa about her many trips to Italy viewing all the Italian art.
